Big Screen. Smooth Power. Smart Value.

A large-screen tablet built for business use. Ideal for training, kiosks, events, and mobile operations, delivering reliable performance and easy deployment.

Simplified Core Specifications:

Display: 11.5" 2K | **Processor:** Octa-core

Battery: Long-lasting with fast charge | **OS:** Android (Tablet-Optimized)

Power Your Operations with a Reliable Business Tablet. Built for Training, Kiosks, Events & Mobile Workforce Deployment.

Why It Works

What It Means for Your Operations

Large 11.5" 2K touch display	Clear visibility for training content, POS interfaces, registration, and workflow applications.
Smooth & Responsive Performance	Fast, accurate touch response for kiosks, checkout, attendance tracking, and operational apps.
All Day Battery Reliability	Supports full-day training sessions, events, and shifts with minimal charging downtime.
Portable & Durable Design	Easy to deploy, transport, mount, and store for rentals, pop ups, and mobile teams.
Cost Effective Enterprise Deployment	Scales easily for bulk rollout across training, events, retail, and warehouse operations.
